

**Flexible Up-skilling pathways for professionals in the field of tourism will produce three outputs**

[flexitourproject.eu](http://flexitourproject.eu)

## OBJECTIVES

1. Improve and extend the supply of high quality learning opportunities tailored to the needs of individual low-skilled or low-qualified adults.
2. Identify the skills needed to competitively tackle the demands of today's consumers.
3. Extend and develop the competences of educators and other personnel who support adult learners.
4. Networking capacities between private and public partnerships, the use of technology in education and training and their practical application in daily life.
5. Provide learners with an appealing & interactive training programme that will combine the use of technology with flexible learning environments.

### Skills

Identifying the skills and competences gaps in the tourism sector.

### Flexibility

Promoting flexible up-skilling pathways for professionals in the tourism sector.

### Learning

Providing interactive materials in flexible learning environments.

## OUTPUTS

- I.01** Skills and Competence profile of professionals in the field of tourism. Opportunities and challenges in local tourism development.
- I.02** Design and development of the course “up-skilling pathways for professionals in the field of tourism.
- I.03** E-learning platform with interactive materials, tools and resources.
